CLASSROOM NEWS

Week of February 18th-22nd, 2019

Important Dates:

2/18: No School-President's Day
2/20: No Late Start-regular start time;
Erin's Law lesson; grammar quiz
2/21: Internet safety assembly
2/22: Ch. 13 Science Test; Six Flags reading
logs due

Our Specials Schedule:

Monday: Tech
Tuesday: Music; PE
Wednesday: Music
Thursday: PE, Library
Friday: Tech

What We Are Learning:

Reading: Students will be participating in a digital research activity to learn more about the US Presidents. We will also continue to practice our skills of locating answers in text.

Language Arts: There is no spelling this week due to the short week. We will have a grammar quiz on Wednesday where students will identify verbs and present tense verbs. In writing we will continue with our non-fiction books.

Math: We will begin Unit 4 in math this week. This unit is all about discovering perimeter and area. There will not be a facts quiz this week.

Science: We will finally have our Electricity and Magnets test (chapter 13) on Friday. We will study for this test using the Kahoot app.

At Home:

I hope you had a chance to review your child's mid quarter progress. There is still plenty of time to bring up any grades that you or your child may not be satisfied with if they apply focus and hard work.

From the Teacher:

So sorry for the delay in everything this week. Every time my fever seemed to break it would come back with a vengeance! I'm finally fever free and planning on returning to work for Wednesday. Kindergarten registration for our district is 2/26-2/28, so if you have a kindergarten aged child at home please register them for next school year. On 2/26 there is also a seminar in the evening about Dyslexia. This reading disability connects to our newest read aloud, Fish In a Tree. Lastly, the district is offering a diversity dinner on 3/6. Please consider attending.
