2/8: Division Fact quiz; Spelling test

## Our Specials Schedule:

Monday: Tech  
Tuesday: Music, PE  
Wednesday: Music  
Thursday: PE, Library  
Friday: Tech

## What We Are Learning:

**Reading:** We will complete reading activities that didn't happen due to the emergency school closing days. We will begin our Non Fiction assessment on Friday and finish it next Monday.

**Language Arts:** We will finish nouns with a quiz on singular and plural possessive nouns. We will then begin studying verbs. Students will continue to research for their Non Fiction writing pieces. In spelling we will continue to practice the list from last week with the /z/ sound in words.

**Math:** There will be a multiplication quiz on Monday that focuses on patterns with 9's facts. We will then continue with the last topic in multiplication which focuses more on other multiplication patterns.

**Science:** We will learn about magnets and magnetic forces this week.

## At Home:

Please continue to encourage your child to read 15 minutes or more every night for their reading log. Talk with your child about what they are reading as well—that keeps them accountable as well and will help you see if your child is comprehending their book.

## From the Teacher:

Happy February! Tuesday is Southeast School's Culver's Night. Culvers is located just southeast of 95<sup>th</sup> and Kedzie in Evergreen Park. Whether you order at the counter, or the drive through you simply need to mention SE School when you order and our school will get a percentage of the profits from your purchase. If you dine in SE staff volunteers will bring your food out to you. I will be volunteering from 5-6 and then dining in with my fiancé.
