Tuesday: Music, PE

Wednesday: Music

Thursday: PE, Library

Friday: Tech

## What We Are Learning:

**Reading:** In reading this week we will continue to work on our Fiction comprehension. There will also be a day when we practice the IAR reading test so that students are comfortable with the digital format and I am able to answer any questions they have. We will also make book recommendations and incorporate a video into this project.

**ELA:** We will study spelling words with the /ee/ sound this week. In writing we will continue to study Patricia Polacco's work; there will be no grammar this week.

**Math:** We will continue to learn about fractions. There is a fractions quiz on Tuesday. We will also take a practice IAR math test so that students are comfortable with the online format.

**Social Studies:** Students will continue to work on landforms and we will do a Scholastic News magazine too.

## At Home:

Report Cards will go home on Friday. Please sign and return the empty envelope. You can contact me if you want to meet and discuss your child's progress.

## From the Teacher:

Students will begin the IAR (Illinois Assessment of Readiness) exam. In the past it was called PARCC. This test is taken online. There are 3 math sessions and 2 reading sessions. On Thursday we will take the first math session. The rest of our tests will occur next week and the following. We will not be testing each day due to all 3<sup>rd</sup> and 4<sup>th</sup> grade classroom needing to share chromebooks. Please encourage your child to get adequate rest Wednesday night.
