## Important Dates:

11/12: No School- Veteran's Day  
11/13: Math Quiz; Ms. Forlenza out in PM  
11/14: Late Start  
11/15: Parent Visitation (9:15-11:00); Grammar Quiz  
11/16: Spelling Test; Reading Vocab Quiz

## Our Specials Schedule:

Monday: Tech  
Tuesday: Art, PE  
Wednesday: Art  
Thursday: PE, Library  
Friday: Tech

## What We Are Learning:

**Reading:** We will focus on text features this week. Students will participate in a fun activity called "Text Features Surgery." There will be a reading vocabulary quiz on Friday.

**Language Arts:** We will write an essay describing what we are thankful for this week. In spelling we will practice and test on our soft /c/ words. In grammar we will finish our work with common and proper nouns and take a grammar quiz on Friday.

**Math:** We have been working on metric measurements and will take a quiz on Tuesday. The quiz will consist reading measurements and adding measurements. Then we will do a quick review of rounding to the nearest ten and hundred.

**Science:** Students will create "bugs" adapted to hiding in our classroom. If you come to visit on Thursday you can help your child find these bugs in our Science activity!

## At Home:

Please continue to encourage your child to read their library books. Talk with your child about what they are reading and encourage them to read on the weekends.

## From the Teacher:

Happy American Education Week! On Thursday, from 9:15-11:00 you are invited to come in and witness/participate in your child's school day. I've planned a fun activity finding hidden "bugs" as part of our Science unit; we will have Library, and PE during visiting hours. There will also be a Scholastic Book Fair occurring during this time. Please consider attending if you are able.
