

Room 112

CLASSROOM NEWS

Week of October 8-12, 2018

Important Dates:

Oct. 8th: No School - Columbus Day
Oct. 9th: Topic F math quiz; 7 continents quiz
Oct. 10th: No Late Start
Oct. 11th: Unit I math test
Oct. 12th: PBIS mini celebration; subjects and predicates quiz

Our Specials Schedule:

Monday: Tech
Tuesday: Art, PE
Wednesday: Art
Thursday: PE, Library
Friday: Tech

What We Are Learning:

Reading: We will continue to work on visualizing text. In small group reading students will be reading text and answering higher level thinking questions about the text.

Language Arts: We will work on a post card that will be added to the Evergreen Park Time Capsule. We will not have a spelling list due to the short week. We will work on cursive writing and begin writing our first and last name in cursive on everything. In grammar we will continue identifying predicates and have a subjects/predicates quiz on Friday.

Math: We will finish Unit I this week. On Friday we will review telling time.

Science: We will continue to learn about habitats and ecosystems. In SS we will take our 7 continents quiz.

At Home:

Continue to quiz your child on their multiplication facts this week. The goal is to have them recalled quickly and fluently.

From the Teacher:

I want to thank all of you who were able to attend the Cardboard Challenge on Friday. The children really enjoyed creating their "flying machines" and were quite creative.

October is National Bullying month. Our social worker, Mr. Ballard, will be doing some anti-bullying lessons in our classrooms and we will have some special school activities relating to the topic. If your child is experiencing difficulties with another student, please encourage them to talk to me or another teacher about the situation.
