

# Room 112

# CLASSROOM NEWS

Week of September 17th-21st 2018

## Important Dates:

9/20: Topic D math quiz  
9/21: Math vocabulary quiz

## Our Specials Schedule:

Monday: Tech  
Tuesday: Art, PE  
Wednesday: Art  
Thursday: PE, Library  
Friday: Tech

## What We Are Learning:

**Math:** We will be using arrays to divide in math this week. We will also begin diving into memorizing our multiplication facts. Topic D math quiz is scheduled for Thursday.

**Writing:** We will continue our School wide lessons where we look at amazing mentor text and write in our writer's notebooks.

**Reading:** We will be learning and practicing different ways to write and talk about text.

**Spelling:** We will spell words with the long e sound. Our test will be on Friday.

**Grammar:** We will work on identifying the subject of a sentence.

**Social Studies:** We will continue our maps studies by learning about the seven continents.

**Science:** We will jump back into our unit on adaptations. Students will focus on habitats and environment.

## At Home:

Children received that 1<sup>st</sup> quarter Accelerated Reader goals on Friday. Please encourage your child to read their SE School library book nightly so they can reach their AR goal.

## From the Teacher:

Our Xerox machine went down Thursday afterschool and needs to be serviced. It was not fixed on Friday. We will be creative and flexible with our work tomorrow and cross our fingers that the repair man comes early on Monday. I will be printing some work from my printer at home (like our spelling list), but things like vocab cards will not be coming home until the copy machine is fixed.

I hope you were able to review your child's mid quarter grades. Please use the Parent Portal information that went home on Thursday to have access to Power School. You can monitor your child's grades throughout the school year with this tool. If you are ever concerned about anything, please feel free to contact me and we can discuss your concerns. Thank you.
