## What We Are Learning:

**Reading:** This week we will be practicing monitoring our reading using the text, Swirl. We will also focus on identifying main idea as a comprehension skill.

**Language Arts:** We will not have a spelling list this week due to the short week. In grammar we will identify statements, questions, commands, and exclamations. In writing we will take a Q1 writing sample by writing to a picture prompt. We will also be working on manuscript print review.

**Math:** We will finish up dividing using arrays and pictures. **Our quiz is planned for Wednesday.** We will then move back to multiplication; specifically the communicative property.

**Social Studies:** We will begin working on a unit about map skills. Our first topic of study will be the compass rose.

**Science:** We will work on identifying physical and behavioral adaptations in living things.

## At Home:

Please encourage your child to complete their nightly reading and response for their reading log. The log is due back to school on Friday of each week.

## From the Teacher:

This week we will begin our first Second Step lesson for social-emotional learning. This lesson will focus on learning how to apply listening and focusing skills. Some weeks there might be homework to complete with your child relating to the lesson we are working on in Second Step but not this week.

SEES is holding a Back to School BBQ on Friday evening. Everyone is invited, regardless of whether your family has joined SEES or not. There will be a bounce house, music, and a chili cook off! Please consider attending!!
